

Outlets can be operated individually, or enjoy one, two or three simultaneously (depending on valve, accessories and available water pressure (see the table below).

Water Pressures

Make sure you know the water pressure in your bathroom before you choose your shower. They sometimes require higher pressure to operate efficiently.

- **LP1** 0.1 Bar Minimum
- **LP2** 0.2 Bar Minimum
- **MP** 0.5 Bar Minimum
- **HP1** 1.0 Bar Minimum
- **HP2** 2.0 Bar Minimum
- **HP3** 3.0 Bar Minimum

Select a suitable valve for your design & functionality, then accessorize accordingly.

CONCEALED Shower Valves

These key features are highlighted in the product table below, where applicable.

Made in Britain

- Our twin, triple and dual control shower valves are manufactured in Halifax.

WRAS Approved

- Tested by the WRAS.
- Approved or pending approval to comply with the Water Regulations Advisory Scheme.

TMV2 TMV3 Approved

- Many of our twin and triple shower valves are TMV approved. Look out for the logo on all relevant showers throughout.

Safety Anti Scold

- Thermostatic control to +/- 2 degrees even if the temperature or incoming pressures fluctuate
- Full thermal protection to prevent scalding even in the event of hot or cold water failure
- In the event of hot or cold water failure, the valve will shut down the water supply

Certified to NSF TMV3

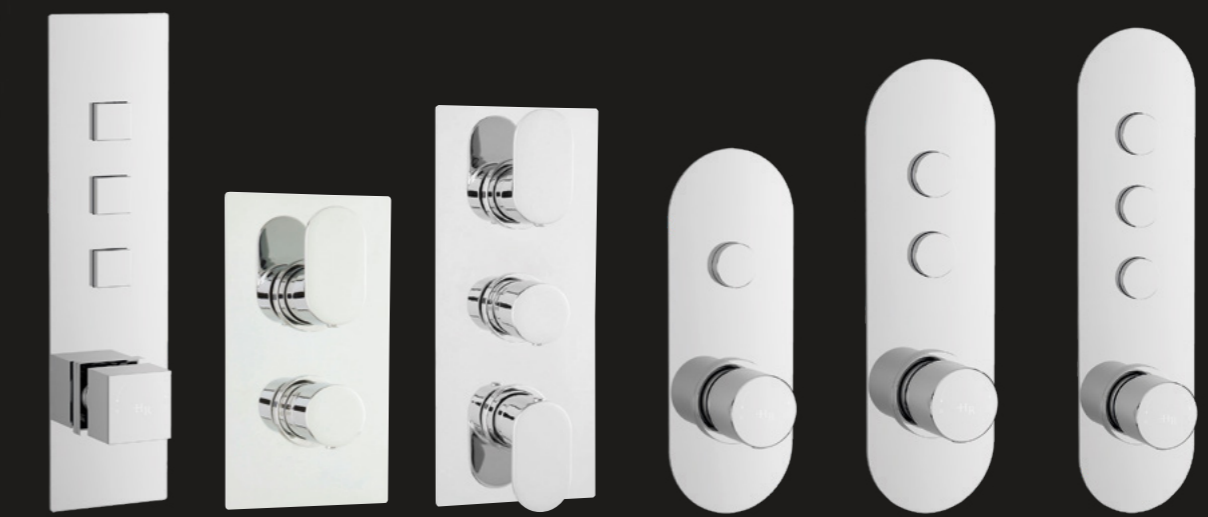

Certified to NSF TMV2

SMART Digital Showers

AQUALISA

QUARTZTOUCH

Enjoy a truly personalised showering experience, thanks to Quartz Touch Smart Digital Shower.

Intuitive and effortless, Quartz Touch uses a stylish and functional controller packed full of features designed to invite showering bliss.

Activated using the Aqualisa App, Quartz Touch allows every family member to build, save and turn on their personal shower with one click - choose your optimum temperature, outlet and time to create a luxurious profile that can be repeated with ease.

With innovative WiFi connectivity, unique to Aqualisa's Smart Digital Showers, Quartz Touch is connected to smart home devices, such as Amazon Alexa, and can be easily operated using a voice command.

DIGA	Concealed valve with adjustable slide rail
DIGB	Concealed valve with fixed wall head
DIGC	Exposed valve with adjustable slide rail
DIGD	Concealed valve with adjustable slide rail and fixed wall head
DIGE	Concealed valve with adjustable slide rail and ceiling mounted head
DIGF	Exposed valve with adjustable slide rail and fixed ceiling head
DIGG	Exposed valve with adjustable slide rail and bath filler
DIGH	Concealed valve with adjustable slide rail and bath filler
DIGI	Wireless remote control

Unique showering profiles

Create unique shower profiles for the whole family, including temperature selection, outlet and flow rate.

Intuitive proximity sensor

Unique proximity sensor reduces water flow when you step away from the motion controlled shower.*

*HP/Combi systems only

Eco features

Eco functionality saves up to 33% on water consumption.

Guarantee

5 years parts and labour guarantee when registered with Aqualisa

Even the most advanced smart control remains simple and intuitive with Quartz Touch, **Aqualisa's most personal showering experience.** A choice of pre-set shower programmes or individual shower and bath settings for the whole family

VADO

Premium COLLECTION

SMARTDIAL

Simple, stylish and sophisticated. The Sensori SmartDial embraces digital innovation to reinvent your bathroom experience and offer full control at your fingertips.

Key Features

- Save up to three pre-set shower functions
- Store temperature, flow and bath fill settings
- Optional Start/Stop remote for enhanced control
- Simple push and twist functionality
- Soft-turn tactile dials for easy operation
- Dial cleaning mode for easy maintenance
- For use with one or two outlets

Sensori SmartDial Dual Outlet Shower/Bath Control

DIVC MP

Sensori SmartDial Single Outlet Control

DIVC604 | £687 MP

SMARTTOUCH

Welcome to Sensori; simplicity you can touch.

Key Features

- Clear LED and touch sensitive display for easy navigation
- Store your temperature and flow settings
- Set a maximum water temperature
- Wireless remote for maximum control
- Customise your shower operating time
- Temperature and flow control
- For use with one and two outlets
- Outlet diversion
- Remote start/stop functionality

Sensori SmartTouch Dual Outlet Control and Wireless Remote*†

DIVG MP
DIVH (Pumped) LP

Sensori SmartTouch Single Outlet Control and Wireless Remote*

DIVE MP
DIVF (Pumped) LP

Save your temperature, flow and operating time to recreate your perfect shower. Pioneering technology for a personalised showering experience.

† Flow rate may be impaired if both outlets used simultaneously
* Not suitable for bath fill
Not recommended for use with shower heads over 350mm in diameter
