

# PREMIUM Heated Towel Rails & Radiators

Gordon - flash drying towel rail

An eye-catching and practical aluminium vertical towel rail. Available in a fine matt textured finish in 3 stock colours, matt dark grey, black and white.

This electric towel rail flash dries towels 3 x faster than a ladder rail plus it's space saving and energy efficient.

**Gordon Electric**  
W208 x D112 x H1000mm  
200 watts

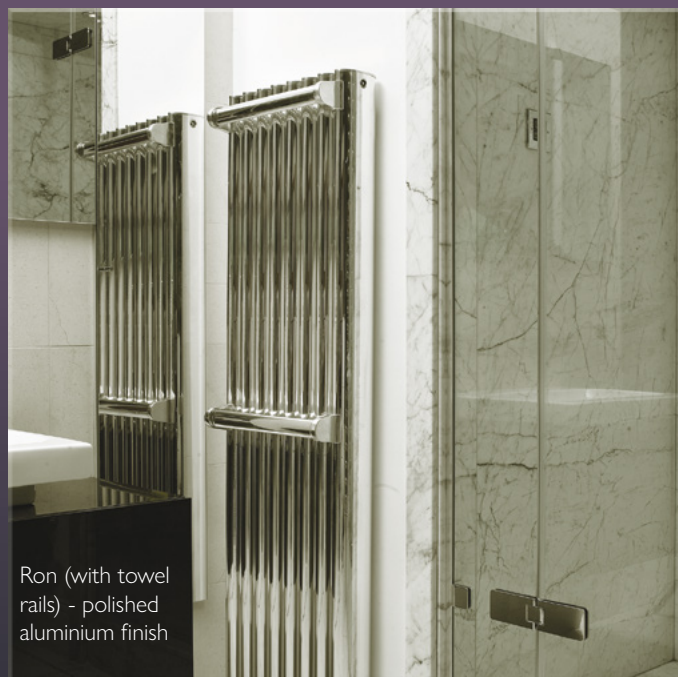

HASA

**Baby Gordon Electric**

**Double Gordon Electric**  
W472 x D112 x H1000mm  
200 watts

HASC

Ron (with towel rails) - polished aluminium finish

Ron / Leggy Ron are an elliptical aluminium column radiator, with and without legs, towel bars are available. Perfectly at home in contemporary or classic surroundings, taking references from 1950s aircraft technology and traditional school house radiators.

### Ron Column Radiators

Available in a wide range of heights and widths - 200 to 1800mm high, 156 - 2600mm wide with heat outputs of 103 - 6677w

Prices start from

Ron - polished aluminium

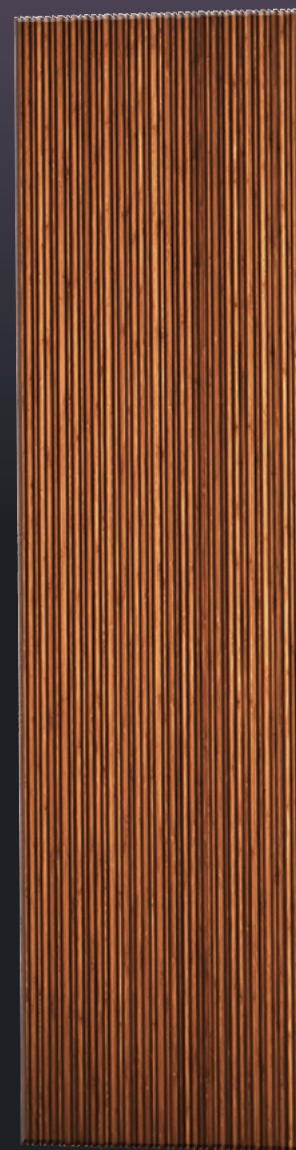

Outline Panel Radiators - designed for the connoisseur of clean lines. This range comes in a multitude of stunning surface finishes, with or without matching towel bars, with or without valves on show.

### Outline Panel Radiators

Available in a wide range of heights and widths - 240 - 3000mm high, 240 - 3000mm wide with heat outputs of 372 - 3333w

A truly environmentally friendly wooden radiator combining the unique appeal of bamboo together with the thermal performance of aluminium.

Outline Woody - bamboo

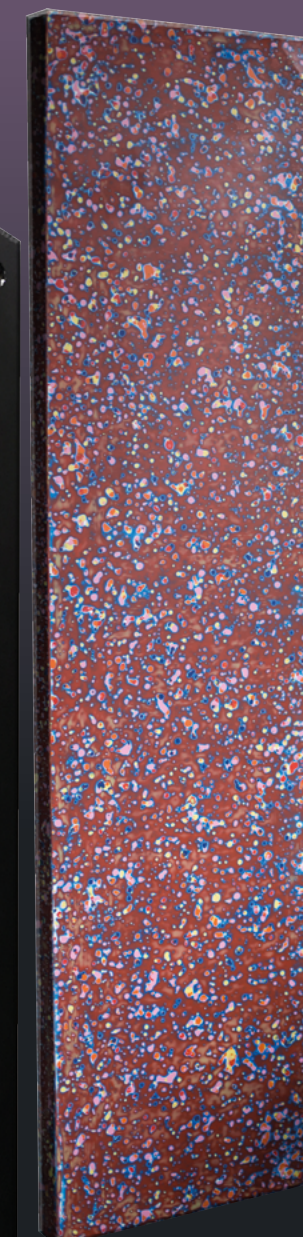

Outline Gong - mighty magna

Mighty Magma finishes and patination vary from subtle speckles to more fluid swirls, one thing is guaranteed, each one is absolutely unique.

A sophisticated matt black radiator and a useful blackboard - available with oak magnetic chalk holders, hidden valves. Electric or Water.

### Outline Blackboard - matt black

Outline Pop - 6 colour resin surface

A pop art inspired six colour resin surface designed and created as a piece of functional art.
